IMPORTANT NOTES AND WARNINGS CONTINUES ...

before use and at least annually serviced & inspected by a qualified & licenced service person.

- Do not perform maintenance until heater has been turned off, power disconnected, and heater temperature has cooled to room temperature.
- Check for damage to the appliance regularly. If damage to the appliance is suspected, discontinue use immediately and contact the supplier or qualified person to repair.
- If the supply cord is damaged, it must be replaced by an authorised and licenced person in order to avoid a hazard.
- At the end of this product's useful life, it must not be disposed
 of as domestic waste, but must be taken to a collection
 centre for waste electrical and electronic equipment. It is the
 user's responsibility to dispose of this appliance through the
 appropriate channels at the end of its useful life. Failure to do
 so may incur the penalties established by laws governing waste

disposal. Proper differential collection, and the subsequent recycling, processing and environmentally compatible disposal of waste equipment avoids unnecessary damage to the environment and possible related health risks, and also promotes recycling of the materials used in the appliance. For further information on waste collection and disposal, contact your local waste disposal service, or the place of purchase
